Juggler / Kids Entertainer  
Annie and the Wonder Band  
Carnival

June - August

Montessori Children's Room | 67 Old Rt. 22, Armonk NY | 914.273.3291

## Daily Scheduled Activities

### Soccer Shots - Monday and Friday mornings.

Soccer Shots is an engaging children's soccer program with a focus on character development. We positively impact children's lives on and off the field through our best-in-class coaching, communication and curriculum.

### Creative Art with Miss Anuja – Thursday mornings

Montessori teacher Miss Anuja will be putting her considerable artistic skills to good use as she offers a creative arts program this summer. The program will focus specifically on exposing students to the different media and techniques with which art is created.

### Gym On Wheels - Tuesday and Thursday mornings

Inspiring each child through physical activity so that they grow up to lead a happy, fulfilling life. We instill healthy values at a young age through learning in a positive, nurturing, and fun atmosphere. Building the foundation for healthy habits that last a lifetime.

### Yoga - Monday mornings

Offered by the Children's School of Yoga. The program's mission is to be a child's first yoga teacher in a fun, age appropriate way. The goal is for the child to continue practicing yoga into their adult life. We feel that if a child learns just one pose, or one breathing technique, or one meditation that they can incorporate into their daily life, then we have completed our mission.

### Dance with Steffi Nossen School of Dance – Friday mornings

The Steffi Nossen dance program provides an educationally sound, sequential curriculum that fosters technical and artistic development. We believe that dance is a unique form of education—developing the body, mind, spirit and character. All classes are designed to challenge students to strive for personal excellence in a supportive, non-competitive environment.

### Cook Out – Every Thursday school provides a pizza lunch

The school caters a Pizza lunch for the kids every Thursday.

### Water Play – Everyday

Children go to play in our water sprinkler area each day. It's a highlight of the summer for the kids – and keeps everybody cool as the summer starts to sizzle!
